GREENFIELD AND RUETTEN
LEAD GRIZZLIES TO A
10-3 MID-SEASON MARK

MISSOULA--

Jill Greenfield and Janet Ruetten have led the University of Montana women's basketball team to a 10-3 record at the half-way point of the 1979-80 season.

Greenfield, a 6-2 center from Richland, Wash., is ranked seventh in the Northwest Women's Basketball League scoring, averaging 14.2 points per game. Against Washington State last weekend, Greenfield had 22 points and 10 rebounds, leading the Grizzlies to a 58-56 road win. Greenfield is a junior college transfer from Wenatchee Valley and leads Montana in rebounding with an average of 8.3 per game.

Ruetten, a 5-10 guard-forward, is UM's second leading scorer with an average of 11.9 points per game. Her .818 percentage (45-55) from the free-throw line ranks 19th nationally in Division I. A freshman from Patrick Henry High School in San Diego, Ruetten had 21 points, six rebounds and three steals against the Washington Huskies in a 53-52 loss.

"Jill and Janet have made the big difference in our offense this year," Coach Robin Selvig said. "Jill is shooting 50 percent from the floor and taking high percentage shots from inside the key, while Janet is our best outside shooter and takes the pressure off the inside game," he said.

This weekend the Grizzlies play Boise State and Seattle University.
